Road Work on the Mercier Bridge

For immediate release

(Kahnawá:ke – 13, Seskéha / August 2007) The Mohawk Council of Kahnawá:ke would like to inform the community that repairs to the guard rails on the Mercier Bridge will take place from August 15th to the 29th.

One out of two Kahnawá:ke bound lanes will be closed to traffic from 9am to 3pm on August 15th to allow the contractor to unload the materials and equipment required for the repairs. Afterwards, the repairs will proceed from Monday to Friday, 7am until 4pm, but no lane closure will be necessary.

This work is required to repair damage caused to the guard rails following a vehicle collision that occurred on the bridge on May 30th.

Please note that work may be postponed in case of bad weather.
