Seigneurie meeting with Feds positive

For immediate release

(Kahnawá:ke – 15 Seskéha/August 2005) Grand Chief Michael Ahríhron Delisle, Jr. is calling Friday's meeting between senior officials from the Department of Indian Affairs and the Seigneurie Main Table a success. The focus of the meeting was on the final steps in the Seigneurie Exploratory Process and Kahnawá:ke's expectations in future negotiations.

Chiefs Lloyd Phillips and Mike Bush, along with several MCK technicians, were also in attendance.

"The meeting was a positive one and there's a willingness on the part of Canada to work together on building a future", said Chief Delisle. "We'll need to continue meeting with the Federal Team to scope out the next steps and to come to a mutual understanding on our position, but not before the community is brought up to date and included in any process on this complicated file."

Kahnawa'keró:non are being urged to attend the next community meeting on August 30, 2005 for an update.
