Portfolios announced

For immediate release

(17, Seskéha/August 2004) The Mohawk Council of Kahnawá:ke (MCK) has announced the portfolio assignments for the 2004/2005 Council term.

“The portfolio selection is now complete, which will allow Chief and Council to begin its work,” stated Grand Chief Mike Delisle. “We are quite confident that the outcome of the selection process will give Kahnawá:ke the necessary momentum to best benefit our community.”

An important development is the consolidation of related portfolios. For example, in the past the Youth Center, Indigenous Games and Kahnawá:ke Athletics Commission had separate representatives; for the sake of efficiency and consistency the new system will see the same two chiefs holding the combined portfolios.

As well, the MCK is instituting significant changes to the make-up and duties of the former Executive Committee, whose former mandate will be the responsibility of the newly created Finance, Administration & Operations committee.

The list of portfolios is attached.
