Authorization Granted to WSP to Conduct Environmental Field Inventories along North Wall shoreline and river next week

(Kahnawake – 21, Seskéha/August 2020)

The Lands Unit of the Mohawk Council of Kahnawà:ke (MCK) would like to inform the community that authorization has been granted to the firm **WSP and its technicians, Olivier Buteau and Claudie Landry** to be in the Territory of Kahnawà:ke on **August 24th and August 25th between 7am and 5pm** to conduct fieldwork.

The purpose of the work is to complete a survey of freshwater mussels in the St. Lawrence River along the North Wall for the Ministère des Transport du Quebec.

Surveys will take place in the area(s) listed below:

- **Along the shore of the North Wall between the CP rail Bridge and the Mercier Bridge.**
- **In the St. Lawrence River east of the Mercier Bridge.**

*Please note that all health and safety measures in place for COVID-19 must be respected and followed, such as physical distancing and hand hygiene etc. Masks are mandatory.

The consultants will be accompanied by staff from the Kahnawà:ke Environment Protection Office. For further information, please contact the undersigned at the Mohawk Council of Kahnawà:ke's Lands Unit at **(450) 638-8244**.
