Seismic concerns at JFK Quarry allayed

(Kahnawake – 28, Seskéha/August 2018) The Public Safety Unit, working in conjunction with the Kahnawà:ke Labor Office, would like to inform the community that their offices were contacted by a community member with concerns about seismic vibrations from the JFK Quarry.

JFK Quarry staff was contacted when the concern was addressed and they provided their latest seismic test results, which were found to be within acceptable limits.

JFK also offered to provide more information if requested. If anyone has additional questions, please do not hesitate to contact the Public Safety Unit at 450-632-0635 or the Kahnawà:ke Labor Office at 450-632-9595 for follow up.
