## MCK launches Tioweró:ton Territory Facebook page

### For Immediate Release

**(Kahnawake – 4, Seskehkó:wa/September 2020)** The Lands Unit of the Mohawk Council of Kahnawà:ke is pleased to announce that a new social media page for Tioweró:ton has launched on Facebook.

The page will host accurate and timely information and allow community members to provide feedback on matters related to Tioweró:ton.

“Having a new page allows us to reach more people with accurate and up to date information,” said Tioweró:ton Manager, Tara McComber. “Administrative information about the policy, community meetings or cabin site allotments are just a few examples of what community members can expect to find. If there’s an emergency, we can post that as well in a timely manner, since we now have the capacity to inform more effectively.”

Although there are existing pages and groups dedicated to Tioweró:ton, this is the only page that the Tioweró:ton Manager and Caretakers will update.

The page can be accessed at [www.facebook.com/TiowerotonTerritory](https://www.facebook.com/TiowerotonTerritory) or by typing ‘Tioweroton Territory’ in the Facebook search bar (look for the page with the moose logo).
