PUBLIC SERVICE ANNOUNCEMENT

A-30 west and Mercier Bridge overnight lane closures

(Kahnawake – 15 Seskehkó:wa/September 2022)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that overnight roadwork will require the closure of A-30 west, between the A-730/A-30 interchange and Boul. Industriel in Chateauguay, tonight, from **8pm** until **6am**.

This closure will impact those heading west between Ville Sainte-Catherine and Chateauguay, including those who are trying to access R-207.

Additionally, one (1) lane on the Montreal-bound Mercier Bridge will be closed between the second superstructure and the end of the span, from **9pm** until **5am**.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
