Hunting restriction in Ile aux Plaines in St. Lawrence River near Léry

For Immediate Release

(Kahnawake – 19, Seskehkó:wa/September 2019) The Mohawk Council of Kahnawà:ke (MCK) wishes to advise community members that a hunting restriction will be in effect in the Ile aux Plaines island area in the St. Lawrence River between Léry and Maple Grove, across from Ile Perrot.

There are studies being conducted on Ile aux Plaines and nearby smaller islands by Environment & Climate Change Canada and Canada Wildlife Services. In order to ensure a safe work site a hunting restriction has been declared.

The **only exception** is this Saturday and Sunday, September 21 and 22, where hunting will be permitted.

Community members who hunt in the area (see attached map) should be aware of the restriction. Anyone with questions or concerns can speak to Nitsénhaiensh Ross Montour or Tonya Perron.
