Mercier Bridge Overnight Lane Closures

(Kahnawake – 21, Seskehkó:wa/September 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated that work on the guardrails will require an overnight lane closure on the R-138 east up-ramp towards Montreal. The right-hand lane will be closed so that crews can replace the impact attenuator.

Additionally, the Ministère des Transports du Québec will be conducting inspections underneath the Kahnawà:ke-bound Bridge, which will require the closure of one lane.

Both closures are scheduled for tonight, from **10pm until 5am**.

Please drive with caution and slow down when entering the work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
