## Local businesses asked to inform KPHT of any positive COVID-19 cases

### For immediate release

**(Kahnawake – 29, Seskehkó:wa/September 2020)** The Kahnawà:ke COVID-19 Task Force and the Kateri Memorial Hospital Centre (KMHC) asks that any local business that is informed of a positive COVID-19 case amongst their clientele or staff members, to please inform the Kahnawà:ke Public Health Team (KPHT) by calling 450-638-3930 extension 2345.

The Kahnawà:ke Public Health Team is informed of any positive COVID-19 cases within the community. However, if the individual who tests positive is not Kahnawa'kehró:non, then the KPHT would not be necessarily informed.

On a related note, if a Kahnawa'kehró:non goes outside of the community to get tested, the Kahnawà:ke Local Public Health Team always gets the results but there may be a delay in getting the information.

As a proactive measure, KMHC is requesting the assistance of all local businesses to ensure the KPHT has the information needed to keep the community safe.
