Route 132 resurfacing work to begin Tuesday night

(Kahnawake – 29, Seskehkó:wa/September 2023) The Mohawk Council of Kahnawà:ke (MCK) would like to advise the community that resurfacing work for R-132 will begin on October 3 (Tuesday) from 9pm until 5am. The work will only be carried out each night (between 9pm and 5am) for a period of about six (6) weeks, between the lights located near Magic Palace and the train tracks at the boundary line.

During the roadwork, one (1) lane will be available in each direction, open to local traffic only, and clients of businesses located on R-132.

This work is being carried out by Mohawk Paving, under contract with the Ministère des Transports du Québec.

This resurfacing project will include several phases, which will continue in the Spring of 2024.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression, and that it does not take part in the scheduling or cancellation of such works.
