PRESS RELEASE

For Immediate Release (10/8/2004)

The Kahnawake Mohawk Peacekeepers would like to inform Kahnawakeró:non, that despite recent reports, the department continues to maintain it's level of service to the community as it always has.

“We are experiencing a manpower shortage of sorts, due to medical leaves and other human resource issues, but we are carrying out our duties as per usual. Right now some of our officers are working overtime to ensure each shift is properly staffed. Their dedication to the community and to the department is greatly appreciated.” Said Chief Peacekeeper Dwayne Zacharie.

Should you require further information, please contact Chief Peacekeeper Dwayne Zacharie.
