The Mohawk Council of Kahnawà:ke (MCK) has been informed by Ministère des Transports du Québec (MTQ), and the Jacques Cartier and Champlain Bridges Incorporated (JCCBI) that maintenance and inspection work will require overnight lane closures this weekend on the following schedule:

**Tonight from 10:30pm to Saturday 7am** – R-138 east (towards Montreal) right lane closed between the Seaway section and Lasalle.

**Saturday from 11pm to Sunday 8am** - R-138 east (towards Montreal) right lane closed between the Seaway section and Lasalle.

**Sunday from 9pm to Monday 5am** – R-132 east ramp, right lane closed from the Kahnawà:ke-bound Mercier bridge.

One lane will always be available during this intervention, and no major impact to traffic is expected.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
