(Kahnawake – 12, Kenténha/ October 2016) The Mohawk Council of Kahnawà:ke is pleased to announce that community consultations regarding the Kanawaki Golf Club Lease officially begin this month and will continue until the end of March 2017.

Phase One of the consultations will occur between October and December and will focus on education, while consultations from January to March 2017 will seek input and direction from Landholders and Community members.

During Phase One, Kanawaki Landholders will be mailed an information package which is expected to be in mailboxes by the end of this month. A Special Community Meeting on the Lease is also being scheduled for November (date TBD), at which time community members can obtain a similar information package.
