## All Lot Holders invited to attend Kanawaki Lease update meeting

### For Immediate Release

**(Kahnawake –12, Kenténha/October 2018)** The Mohawk Council of Kahnawà:ke wishes to advise the community that a meeting to provide updates on the Kanawaki Golf Club lease is scheduled to take place on Thursday, 25 Kenténha/October 2018 at the Golden Age Club.

The purpose of the meeting is to recap and update on the activities that have taken place since the 2016 Community Consultation was completed, and to receive feedback from Lot Holders. Additionally, there will be a presentation on the Environmental Site Assessment report that was completed this past May 14<sup>th</sup>; and to propose the creation of a sub-committee composed of the private Lot Holders in the Kanawaki lease.

“One of the recommendations that came from the consultations with the Lot Holders was to address their request to have more direct involvement with the process,” said Ratsénhaiensh Carl Horn, who is responsible for the Kanawaki file on behalf of the MCK. “We hope to have a sub-committee in place soon.”

The meeting will take place from 6pm to 8pm. All Lot Holders will be invited to attend.
