The Ministère des Transport Québec has informed the Mohawk Council of Kahnawà:ke that it will be carrying out a study/survey of Route 132 within the Territory of Kahnawà:ke.

The work is scheduled to begin on Monday, October 29th and last seven (7) working days, weather permitting. The firm GHD will be conducting the survey, which also involves taking core samples in all lanes of R-132.

This work is expected to cause some delays to traffic. However, no work will be done during the rush-hour periods.
