(Kahnawake – 27, Kenténha / October 2009) The Capital Unit of the Mohawk Council of Kahnawà:ke (MCK) would like to inform the community that work crews will be removing a section of the Old Fort Wall for safety concerns. Work will commence at 7am on Wednesday, October 28th.

The wall has been inspected by the Community Protection Unit Safety Inspector and the MCK Buildings Manager and deemed unsafe due to pedestrian traffic in the area and its close proximity to a nearby home.

Your patience throughout this project is greatly appreciated and we apologize for the temporary inconvenience. If further information is required, please contact the Technical Services Office at 450-635-1016.
