MCK announces improved reporting

For immediate release

(Kahnawake – 31, Kenténha/October 2024) – The Mohawk Council of Kahnawà:ke (MCK) wishes to inform Kahnawa'kehró:non of changes aimed at improving how the Ratitsénhaiens report their activities to the community.

Firstly, Chiefs Uncut segments are now replaced with the new and improved 'Ratitsénhaiens Report.' With a new look, this is a tool for the Ratitsénhaiens to keep the community updated on their work and portfolios in a more organized manner. In a weekly rotation, each of the Ratitsénhaiens will have a chance to report at least once every three months.

Also new, is the 'Ratitsénhaiens Monthly Report' document, which is being introduced as a follow-up to the weekly Council Communiqués in an easy-to-read format. The Ratitsénhaiens will report on meetings and other activities they participated in and provide a high-level update on their portfolios.

The 'Ratitsénhaiens Monthly Report' document will be available on the last day of each month. [Click here to view](#) the first edition for September 2024.

These new features are an exercise in accountability and transparency, which the Kahnawa'kehró:non Ratitsénhaiens have committed to as one of the key priorities for this Council Term.
