Tsi Nahóten Karihwanákere No'nenk - News Release

Notice to Kahnawakehro:non

For immediate release

(3, Kentenhkó:wa/November 2004) The Mohawk Council of Kahnawá:ke (MCK) is reminding community members that work being performed within the Territory by Bell Canada (and its sub-contractors Expertech and Entourage) is being carried out legitimately and with authorization.

Recently, the Sureté du Québec, apparently identifying themselves as working for Bell, admitted to placing cameras and other electronic devices in Kanesatake. This has apparently caused some Kahnawakehro:non to interfere with the workers from Bell who are attempting to carry out their duties.

While the MCK appreciates the community's vigilance and indeed shares its concerns, please be assured that care is being taken to prevent this type of activity from happening on our Territory.

The MCK is asking community members to allow Bell Canada to carry out its work orders in Kahnawá:ke. If you have any questions or concerns regarding the work being carried out, please contact the Kahnawá:ke Peacekeepers at (450) 632-6505.
