One lane in each direction on Mercier Bridge Friday night

(Kahnawake – 15, Kentenhkó:wa/November 2019)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that maintenance work is scheduled for tonight (Friday, November 15th) at 11:59pm until 7am Saturday morning.

As a result, only one lane will be available for traffic on both the Montreal-bound and Kahnawà:ke-bound bridges.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
