PUBLIC SERVICE ANNOUNCEMENT

Recreation Path Shoreline Naturalization Project a success!

(Kahnawake – 19, Kentenhkó:wa/November 2013) The Kahnawà:ke Environment Protection Office (KEPO) is pleased to announce the successful completion of its Shoreline Naturalization project thanks to the exceptional effort contributed by local volunteers. In total, one hundred trees and shrubs were planted along the Recreation Path.

Conditions were difficult as the ground was hard and many large rocks and rubble were

encountered but volunteers persevered to get the job done. KEPO would like to thank volunteers from the Kanien'kéha Ratiwennahní:rats Adult Immersion Program, Conservation Officers, MCK staff, as well as all other community members who took the time to help out.

Signs will be installed in the spring providing additional information on the

project. [Click here to learn about the benefits of naturalizing our shoreline.](#)

Funding for the project was made available from the TD Friends of the Environment Fund.

Should you like additional information on the results of this initiative, or on any other environmental issues, please contact the Environment Protection Office at 450-635-0600.
