# **PUBLIC SERVICE ANNOUNCEMENT**

## **Overnight Lane Closures on Mercier Bridge and R-132 West Up-Ramp**

**(Kahnawake – 19 Kentenhkó:wa/November 2020)**

The Mohawk Council of Kahnawà:ke (MCK) has been informed by Ministère des Transports du Québec (MTQ) that inspection work will require lane closures tonight from **9pm** until **5am** Friday.

Alternating lane closures will take place in both directions on the Mercier Bridge. As a result, expect partial lane closures on the span between Lasalle and the area over the St. Lawrence Seaway.

Additionally, 1 (one) lane will be closed on the R-132 west up-ramp towards Montreal for work on signage from **7pm** until **5am** Friday.

Please drive with caution and slow down when entering the work zones and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
