Mercier Bridge overnight ramp closure tonight and Friday

(Kahnawake – 23, Kentenhkó:wa/November 2023)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier & Champlain Bridges, Inc. that inspection work will require the closure of the R-138 East up-ramp (from Chateauguay towards Montreal) tonight (Thursday) and Friday (November 24), from **8pm** until **5am**, both nights.

A detour via R-132 will be in place. See the map below.

Please drive with caution, slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
