## **PUBLIC SERVICE ANNOUNCEMENT**

# **Water Network Study Completed May cause Water Discoloration**

**(Kahnawá:ke – 28, Kentenkhó:wa/November 2006)** The Mohawk Council of Kahnawá:ke would like to inform all Kahnawakehró:non that the Water Network Study, which began 30 Kenténha/October, has now been completed. The valves that were shut off during the study are to be re-opened today and water pressure in various parts of the network will be restored.

You may experience water discoloration during this brief period. In such cases, just let your tap run until it clears up.

For more information please contact Technical Services @ 450-635-1016

**We are requesting that this PSA be broadcast today November 28, 2006**
