Mercier Bridge weekend lane closures towards Montreal

(Kahnawake – 10, Tsothóhrha/December 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated (JCCBI) and the Ministère des Transports du Québec (MTQ) that repair and maintenance work will require lane closures on the **Montreal-bound** Mercier Bridge this weekend:

- **Tonight (Friday), 8pm to Midnight**, JCCBI will be partially closing the right-hand lane over the St. Lawrence Seaway.
- **Sunday, 6am to 7pm**, the MTQ will partially close one lane for repair work, towards the end of the span.

Please drive with caution and slow down when entering the construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
