## **Fieldwork on Tekakwitha Island to Support Recreation Bay Remediation**

**(Kahnawake – 17, Tsothóhrha/December 2018)**

The Kahnawà:ke Environment Protection Office wishes to inform the community that they will be undertaking fieldwork on Tekakwitha Island beginning today (Monday, December 17<sup>th</sup>) to support efforts to remediate the Recreation Bay.

Work will consist of excavating several test pits to identify bedrock elevation in select locations. All excavations will be restored.

If you would like to know more about this activity or the Recreation Bay Restoration Project in general, please contact Patrick Ragaz at the Kahnawà:ke Environment Protection Office at **450-635-0600**.
