PUBLIC SERVICE ANNOUNCEMENT

Delays in Snow Removal Service for Elderly

(Kahnawá:ke – 6, Kentenkhó:wa / November 2007) The Mohawk Council of Kahnawá:ke would like to inform clients of the Snow Removal Program for the elderly, that due to the extraordinary amount of snow received over the past few days they should expect delays in service. The sole contractor for the program, “JD Asphalt”, is working as quickly as possible but is overwhelmed with more than 100 customers.

If you are a current client and would like information on the length of the delay, please speak to Kristy Taylor at JD Asphalt by calling 514 440 4375. We would hope that in this time of need, family members would be able to lend a hand towards the safety of these elderly clients.

Kahnawá:ke contractors interested in taking on extra clients for the remainder of the season are asked to call Program Coordinator Sheridan Ross at 450 632 7500 ext. 262.

The MCK apologizes to its clients for this temporary delay in service.
